

# WILD CARD RULES

## Explain THESE rules:

1. The way to win the game is to get rid of all your cards.
2. Keep your cards face down.
3. Only turn over one card at a time.
4. Place the card you turn over in the center of the circle for everyone to see.

## LEADER plays by these rules, but explains once kids are confused:

5. If a King is discarded, everyone has to give the "discarder" a card.
  6. If two face cards are discarded in a row, both of the people who discarded them have to skip their next turns.
  7. Whenever an 8 is discarded, reverse directions (clockwise -> counter clockwise)
