

One way we can be a LEADER like Jesus is by being KIND to others!

If you can be kind by saying hello to new friends, let me see you wave.
(Everyone waves.)

Let me see you all pat your knees.
(Everyone pats knees.)

If your friend falls down and scrapes his knee, should you HELP him or LAUGH at him? (Help him)

That's right! Jesus helped people, and when we HELP others we are being a LEADER like Jesus!

Can everyone show me a sad face?
(Everyone makes sad face.)

Let's all look this way.
(Everyone looks right.)

If your sister is sad and crying, how can you help her? (Allow responses.)

Now, let's look this way.
(Everyone looks left.)

One great way we can follow Jesus is to tell others how much He loves them.

If you are in your room and you see lots of toys on the floor, how can you HELP your mom or dad? (Allow responses.)

**On the count of two, let's all shout "Jesus loves you!" One, two...
(Everyone shouts "Jesus loves you!")**

You can HELP your mom or dad by cleaning up your room—even before they ask you to do it!

When you help others, you are following Jesus and LEADING like Him!

Let's all give a high-five to the people sitting beside us. (Everyone high-fives their neighbors.)

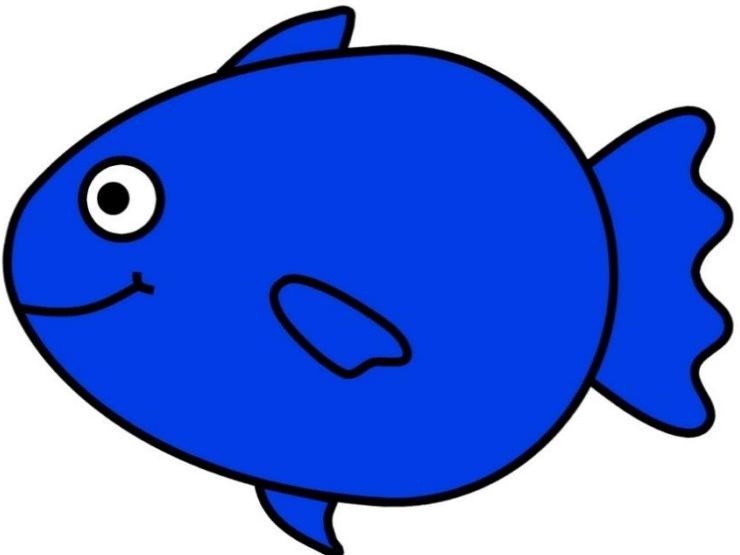

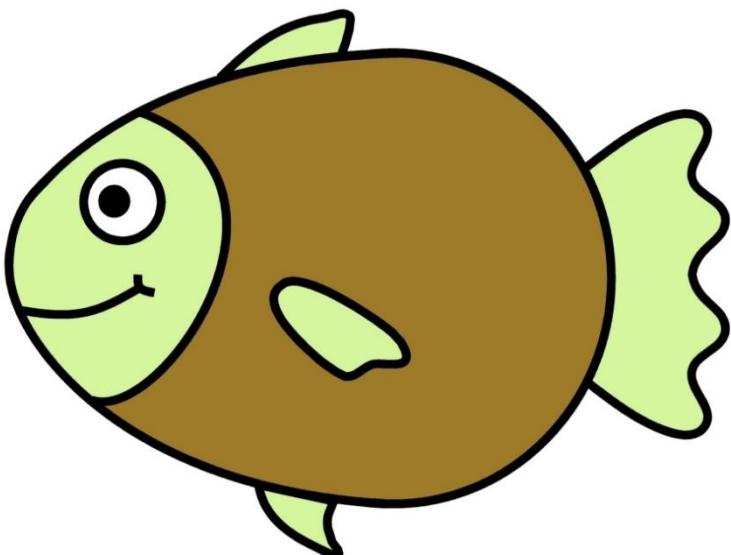

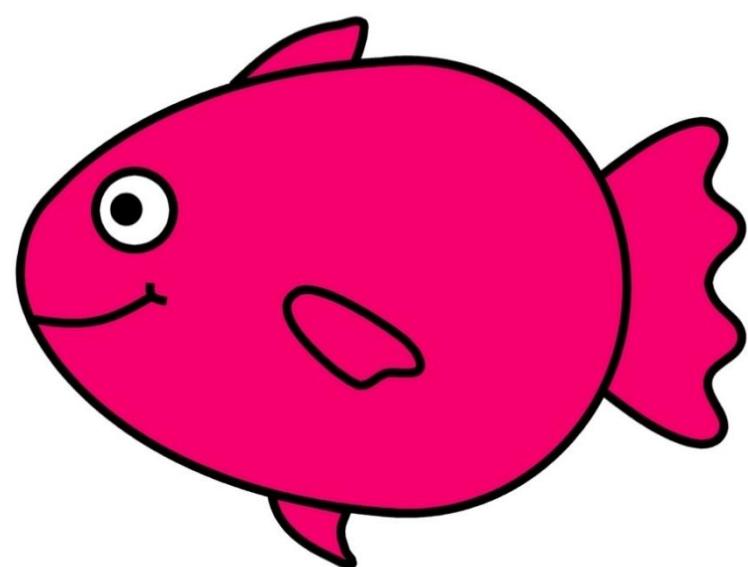

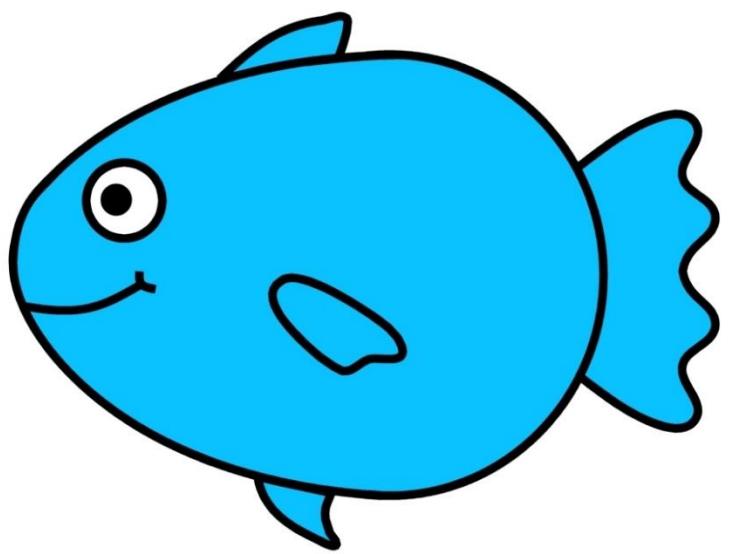

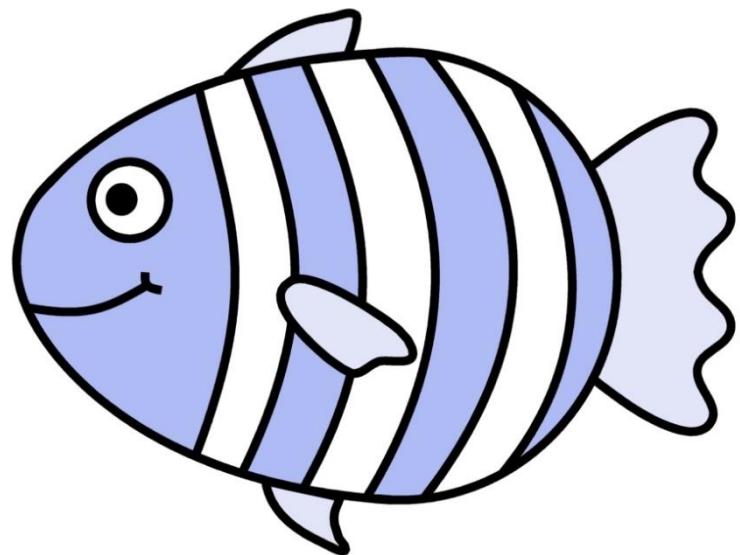

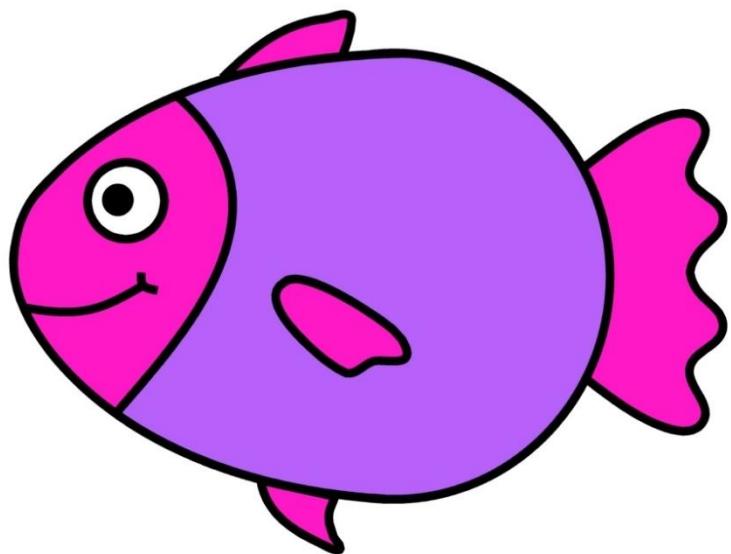

Was Jesus ever mean to people? (No)

If your friend draws a great picture, should you throw the picture away or give a high-five and say how great it is? (Give high-five and say how great it is)

Then if we follow Jesus, should we be mean to people? (No)

That's right! That's what Jesus would do and that's how we can follow His example!

When you are kind to others, you are LEADING just like Jesus!

Can you make your hands move like a fish swimming in the sea? (Everyone moves hands back and forth like fish swimming.)

If your Grandpa gives you a brand new fishing rod, what should you tell him? (Thank you)

When you use kind words, like "Thank you" or "Please," you are being a good example to others by what you say!

Let's practice saying "Thank you" together.
(Everyone says, "Thank you!")

Let's all pretend we are washing the dishes.
(Everyone makes motions as if washing the dishes.)

If your dad asks you to HELP him wash the dishes, should you run away or stay and help? (Stay and help)

Yes! When we HELP others, we are doing what our leader Jesus would do!

If you have fun at church, spin around in your spot. (Everyone spins around, while sitting down, in spot.)

One way you can be a LEADER like Jesus is by inviting your friends to come to church with you!

If you think you can ask your friends to come to church with you, show me two thumbs up! (Everyone shows two thumbs up.)

Let me see you pretend to eat your favorite candy. (Everyone pretends to eat.)

If you have two pieces of candy left and your brother asks for a piece, what should you do? (Allow responses.)

When you SHARE with others you are doing what Jesus would do!

Now let me see you pretend to SHARE one piece of candy with your brother.
(Everyone pretends to give away one piece of candy.)

Can you all make a heart with your hands, like this? (Everyone puts thumbs together and folds fingers in to make heart shape.)

Jesus (make heart with hands) **LOVES** you so much and He wants to be your leader!

I want to hear you say what we Need to Know today in your happiest camper voice:

Jesus (point up)
Is My Leader! (thumbs to chest)
